RE: Proposed Bill # LC 7776 – Detainee Medical Costs

Dear Law & Justice Interim Committee Members: Fax 444-3036

This proposed bill will burden county governments in an unfair manner. Enforcement of the law is a state interest and the counties should not be burdened with paying for state responsibilities. Further, the bill is flawed since it assigns no responsibility to a potential law breaker.

We urge you to kill this bill.

Sincerely,
BOARD OF RAVALLI COUNTY COMMISSIONERS
